

Jacqueline S. Allen, D.D.S., M.S. is pleased to announce that as of October 9, 2015 Susan L. Wood, D.D.S. has become a partner at **Phoenix Endodontic Group**. Dr. Wood is a *board certified* endodontist and has worked as an associate with Dr. Allen since July, 2014. Having Dr. Wood as a partner will allow the company to expand and provide enhanced services to their referring doctors and patients.

Phoenix Endodontic Group currently operates two specialty dental offices in the Valley – one at the northwest corner of 7th Avenue and Maryland in Phoenix and the other at the southeast corner of Tatum and Shea in Paradise Valley. Over the years, Dr. Allen has acquired endodontic practices started by Dr. Charles L. Siroky and Dr. Joseph S. Dovgan. Having Dr Wood join the company as a partner ensures that for many years to come, **Phoenix Endodontic Group** will continue to provide the finest endodontic care available anywhere.

“In recent years, I have been blessed to be able to provide endodontic services to a wide range of patients and referring doctors. Having Susan (Dr. Wood) as my partner will allow **Phoenix Endodontic Group** to be able to continue to provide high-quality care and treatment for our patients”, Dr. Allen said. She continues, “This arrangement will allow us both to continue to have a consistent clinical schedule as well as have time to serve organized dentistry and the charitable endeavors that mean so much to us.” “Susan (Dr. Wood) is an excellent Endodontist and I am proud to partner with her in this venture.”

Dr. Allen further announced that operationally, nothing will be any different than it is today. Present office hours, policies and staff will all remain the same. Dr. Allen works primarily from the Phoenix location and Dr. Wood works primarily at the Paradise Valley location. Every Wednesday the doctors will swap and work at the other office. Practice locations are:

Phoenix Endodontic Group – PHX
6520 North Seventh Avenue, Suite 7
Phoenix, AZ 85013

Phoenix Endodontic Group - PV

Phoenix Endodontic Group utilizes the latest in endodontic technology to provide a positive and comfortable dental experience for the patients as well as fast and efficient scheduling and reporting for the referring dentist. **Phoenix Endodontic Group** is a proud user of TDO software, and utilizes digital radiography, surgical microscopes in a web-integrated, secure environment. We were also one of the first endodontic offices in Phoenix to use CBCT to help diagnose and treat more difficult cases.

Dr. Allen and Dr. Wood adhere to the same core values and philosophy regarding the care they provide: “*To provide a full range of quality endodontic services with clinical excellence and caring, personalized dedication. We are committed to providing these services with the best technology available with the warmth, friendliness and kindness that we ourselves would desire if we were the patient.*” To find out more about our practice, please visit us on the web at www.phoenixendodontist.com or <https://www.facebook.com/phoenixendodonticgroup>
